

SUBJECT: 2020 COMMENCEMENT UPDATE

DATE: April 27, 2020

We want to honor the intent to hold an in-person Commencement on the field and also comply with public health orders regarding COVID-19. Your health and safety are our highest priorities. Given recent guidance suggesting that restrictions on large gatherings could last another six to twelve months, we have decided to postpone Commencement for the Class of 2020 to May 2021.

Commencement for the Class of 2020 will be planned for the weekend of May 8 – 9, 2021. This is the same weekend as Commencement for the Class of 2021. Depending on the numbers of participants, these events may be scheduled separately or as one larger event. Please keep an eye on this webpage for information as plans develop. All Commencement planning will be aligned with any national, state, and regional guidelines regarding COVID-19. We will provide as much advance notice as is possible regarding event information.
