

**SUBJECT: UNIVERSITY NOTIFICATION**

**DATE: March 24, 2020**

Dear NDNU Community Members,

As of today, COVID-19 updates remain the same for NDNU. We want to remind you of California Governor, Gavin Newsom's Executive Order effective 03/19/20 calling "all individuals living in the State of California to stay home or at their place of residence except as needed to maintain continuity of operations of the federal critical infrastructure sectors, [as outlined here](#).

As we continue to learn more about the COVID-19 outbreak, we urge you to practice social distancing and self-isolation as NDNU continues in its "Shelter-in-place" status.

### NDNU RESIDENTS

Given this order, please continue to follow [CDC recommendations](#).

If you experience any COVID-19 symptoms, please self-isolate and promptly reach out to Annabelle Bautista at [agbautista@ndnu.edu](mailto:agbautista@ndnu.edu) or call (650) 508-3759.

Our door-to-door, bed-to-bed checks will remain in place as daily standard practice in an effort to keep our community safe. Staff and students, please follow stipulated guidelines from [Public Safety](#) and [Housing](#) if on campus.

In an effort to support our community, Student Wellness Services is prepared to continue to work with our students via tele-mental health starting March 23. [Please click here for more information](#).

### NDNU EMPLOYEES (FACULTY & STAFF)

If you begin to experience any symptoms, please follow [CDC guidelines](#) and [access employee healthcare information here](#).

### CAMPUS STATUS

Because of our "Shelter-in-place" status, only essential personnel are on campus. For departmental assistance, please contact NDNU staff via e-mail.

### FUN ACTIVITIES WHILE SHELTERING-IN-PLACE

[Monterey Bay Aquarium Live Cameras](#) *Be delighted by the antics of our sea otters or mellow out to the hypnotic drifting of our jellies. With ten live cams to choose from, you can experience the wonder of the ocean no matter where you are.*

[San Diego Zoo Live Cameras](#) *With what may be the most live cam options, this zoo lets you switch between koalas, polar bears, and tigers in one sitting.*
