

SUBJECT: UNIVERSITY NOTIFICATION

DATE: June 19, 2020

Dear NDNU Community,

Shelter-in-Place Status

San Mateo County Health Officer has issued a new order to align the county with Governor Gavin Newsom's Resilience Roadmap. The local shelter in place order of June 4, 2020, has been rescinded and replaced with a new order emphasizing individual behavior and the practices businesses must follow as they resume operations. The new order is effective immediately as of June 17, 2020. This order limits gatherings to no more than 50 people, outlines social distancing and face covering requirements, allows for social bubbles, and requires businesses to implement a social distancing protocol and written health and safety plans. As we move forward with this new "Shelter-in-Place" order, please continue to wear face coverings outside the home and in places of business. CARES Act Emergency Financial Aid Grant Report

First and foremost is the health and well-being of Notre Dame de Namur University (NDNU) students, employees (faculty and staff), and our extended community. NDNU is supporting eligible graduate and undergraduate students by providing emergency financial aid grants from the Higher Education Emergency Relief Fund established by the Coronavirus Aid, Relief, and Economic Security (CARES) Act. A Reminder of the Message from Notre Dame de Namur's (NDNU's) President, Dan Carey

The tragic events of the past few days remind us that we live in an imperfect world. A world in which prejudice, racism and intolerance are still ever-too-present barriers for the most vulnerable in our communities, in our society and in our world.

I want to reaffirm the commitment of our University to diversity, opportunity and social justice for all people. We seek to create a community of inclusiveness. One that showcases an environment of belonging and sharing as we strive to understand and accept the differences that make the fabric of our society strong.

The NDNU community welcomes, celebrates, promotes and respects the full spectrum of the human experience. We pray for the communities and businesses impacted by the violence and vandalism of the few. However, we support peaceful protest and join in solidarity with the oppressed and those unfairly targeted and marginalized.

Current on-campus Access Protocol

The Ralston entrance to campus has been adjusted to reduce and deter unnecessary traffic into campus. A revised entrance map is [here](#) to see the new entrance and exit points. Public Safety needs you to check-in upon your arrival to campus. Please call (or text) 650-504- 0656.

You can also email Public Safety at security@ndnu.edu. This check-in procedure is required for Public Safety to track all on campus to keep our campus community safe. Remember, we continue to house students and staff. We ask for your utmost collaboration for your safety and the safety of others.

We urge you to please follow [national](#), [world health organization](#), [state](#) and [regional news](#) to stay updated on most recent updates.
